EXECUTIVE SUMMARY

Big Easy Services Of New Orleans, LLC dba Big Easy Services Plumbing, established in 2005, is a Hispanic, woman-owned, and family-operated plumbing services company providing installation, repair, and maintenance for residential, commercial, and industrial clients in the Greater New Orleans area. With a strong commitment to quality, innovation, and reliability, we have expanded to include standby generator solutions and emergency plumbing services. Our expertise includes water and gas line repair, backflow prevention, and underground utilities, ensuring safe and seamless operations for homes, businesses, and government clients. We specialize in mission-critical plumbing support, delivering high-quality services with 24/7 availability, OSHA-compliance, and TWIC-certified personnel to support secure operations at industrial and federal facilities.
